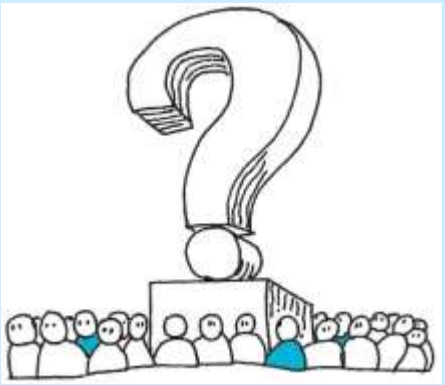
Royal Borough of Greenwich Special Educational Needs (SEND) Local Offer

What is the Local Offer?

A Local Offer gives children and young people with special educational needs or disabilities and their families information about what support services will be available in their local area.

Every local authority must have a Local Offer and make sure it is available for everyone to see.



Who decides what is in the Local Offer?

Every local authority must talk with children and young people with special educational needs or disabilities and their families to find out what sort of support and services they need.

There will be many different types of services that children and young people may need, including support services in school and specialist health services.

Every local authority must have a Local Offer that is available on the internet, and they must make sure that people without access to the internet can also see it.

The local authority must tell children and young people and their families how they can find out more about the Local Offer.
